Space Use Policy

The Alaska Maritime National Wildlife Refuge's Islands & Ocean Visitor Center provides a unique setting for community events and functions. To ensure the safety of our guests, preserve our facility, and its collection of exhibits, the following policies and procedures will be strictly enforced.

Eligible Users and Uses:

The Alaska Islands & Ocean Visitor Center is a partnership between the Alaska Maritime National Wildlife Refuge (U.S. Fish & Wildlife Service), the Kachemak Bay Research Reserve (University of Alaska), and NOAA, dedicated to understanding and conserving the marine environment. The facility may not be used for activities deemed inappropriate by Refuge Manager. Banquets are not a permitted activity. Priority for use is given to events in support of the agencies' missions. Private use of the facility for events or functions is not permitted, to avoid a sense of competition with private business. The following types of groups may use the Alaska Islands & Ocean Visitor Center:

- Government Agencies
- Community-based nonprofit and professional organizations
- Education organizations and K-12 and University educators and students
- Organizations for non-partisan public issue awareness and education and nonpartisan organizations promoting participation in the political process.

All recyclable materials shall be put in the proper receptacles. Garbage will be placed in the dumpster located near the service entry of the facility. Cleaning equipment and products will be provided as part of the use agreement. The Visitor Center does not provide any cleaning services; however, depending on the type and extent of an event the Visitor Center Manager may require a contracted professional cleaning service as part of the Building Use Permit. A cleaning deposit equal to the rental fee is due at the same time as the rental fee.
